

JMS
AUTOMATION

ABOUT US

DETAILS

We are the leading Stockist & dealer for HIWIN , PMI, THK ,REXROTH products . .which is universal leader in Linear Motion & Control Technology

JMS AUTOMATION has around wide range of experience in the above fields and guarantees further development & customer satisfaction

With the fast development in the field of industrial automation and rapid progress in production techniques, it is necessary to implement flexible and compatible systems in production. JMS AUTOMATION advocates a Total Solution approach to all your needs. our main business objective is to maintain the high quality standard products.

SERVICES

We do the servicing and repairing of Linear Guideways and Ball Screw Workshop Facility which includes CNC Turning Centre, CNC Machining Centre, Grinding Machine, Buffing Machine, Chamfering & Deburring equipment and well Equipped Logistic Facilities.

Customers have recognized our above technical proficiency, and are very happy to work with us on long term basis. Our distributors are also Mechanical Engineers who work closely with customers for Techno-Commercial aspects, with support from JMS AUTOMATION. Our Technicians are well trained in after sales servicing of our products. We are equipped with 10 personnel from Mechanical, Electronics & Infomration Technology.

APPLICATIONS

Automated Warehouse
Automatic Loader
Beam Welding Machine
Boring Machine
CNC Grinding Machine
CNC Lathes
CNC Routers Machine
Diamond Laser cutting machine
Gantry Robot
Glass Cutting Machine
Industrial Robot
Injection Molding Machine
Laser Cutting Machine

Medical Equipment
Milling Machine
Packaging Machine
PCB Drilling Machine
Press brake machine
Punch Press
Rotogravure & Flexographic machine
Semiconductor Machine
Stone Processing Machine
Tapping & Drilling Machine
Tyre Forming Machine
Wire Cut EDM
